

GHOA Annual Meeting
October, 2022

Meeting called to order at 6:05 pm by Chris Mortenson.

Topics of discussion:

Chris discussed the upcoming GHOA Newsletter and the Directory. The Directory used public information from the public records and information from returned surveys.

Fire Wise Presentation:

Greencrest is a Wildland Interface.

Wildfire Risk Assessment: What can you as a homeowner control:

1. Have your address visible from the street.
2. Predominant siding material (fire resistant)
3. Predominate roofing material (fire resistant)
4. Vegetation Density (thinning and removal of hazardous vegetation surrounding the house.
5. Defensible space around your house (plant fire resistant plants)

Emergency Planning:

1. Sign-up for alerts: (<http://member.everbridge.net/1772417038942752/new>)
2. Know Your Zone
(<https://community.zonehaven.com>)
3. Make A Plan
(coswildfireready.org/)

Treasure Report:

Incoming \$7,043.86 Outgoing \$4,278.41 Balance \$2,765.45

Nominations and Voting for new GHOA Board members and Directors

No nominations or election was held because there was not a quorum of members (the minimum number of members of an assembly that must be present at any meetings to make the proceedings of the meeting valid).

Meeting adjourned at 7:25
